RULES OF BOTH HOUSES OF PARLIAMENT  
RESPECTING THE  
LIBRARY OF PARLIAMENT.

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested ; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the Session of Parliament except the Governor General, the members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce strangers to the Library during the day-time, but not after the hour of seven o'clock, P.M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until four in the afternoon ; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarians; subject to such regulations as may be deemed necessary for the security and preservation of the collection ; but no one shall be allowed to take any book out of the Library except members of the Legislature, and such other as may be authorized by the Speaker of either House.

During the recess of Parliament, no member of either House, not residing at the seat of Government, shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House, to borrow books, from the Library, shall be allowed to have in his possession more than two books at any one time, or to retain the same longer than three weeks, and all such persons shall return the books so taken when required by the Librarians.

No books of reference or books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

RÈGLEMENTS  
CONCERNANT LA  
BIBLIOTHÈQUE.

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité ; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur Général, les membres du Conseil Privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent en personne introduire des étrangers dans la Bibliothèque pendant la jour, mais non après sept heures P.M.

Pendant les Sessions du Parlement, aucun livre de la Bibliothèque ne peut être emporté de l'édifice, excepté sur l'autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement, la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à quatre heures de l'après-midi ; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la disposition des Bibliothécaires, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant les vacances du Parlement, aucun membre de l'une ou de l'autre Chambre, ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou de garder en sa possession plus de trois ouvrages à la fois ; de plus, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège — sur la foi d'une carte du président de l'une ou de l'autre Chambre, — d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence ouvrage de luxe et de prix ne pourra être emporté du siège du gouvernement pour aucune considération.

A chaque Session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas encore été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précédent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following New Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested.

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any books belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on ; nor will smoking, or spitting on the floor or carpet be permitted, in any of the Library apartments.
4. No audible conversation will be allowed in the reading room : nor shall any person be permitted to partake of refreshments therein; and no dogs shall be allowed in the Library.

Outre les règles qui précédent, le Comité de la Bibliothèque a recommandé l'adoption des règles suivantes, dont les personnes qui fréquentent la Bibliothèque, ou font usage des livres qui la composent, sont priées de prendre connaissance :

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque
4. On ne pourra converser à haute voix dans la chambre de lecture ; on ne devra pas non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

# REPORT

OF THE

JOINT LIBRARIANS OF PARLIAMENT

## REPORT OF THE LIBRARIANS FOR 1898-99.

---

The Joint Librarians of Parliament have the honour to report for the year 1898 as follows :—

The usual efforts have been made to provide room for accommodating the contents of the Library. The artistic appearance of the room has been somewhat marred by temporary shelving, but only in this way could the necessary accommodation be had.

The statistical side of the Library has been the object of the customary attention, and, it is to be hoped, will be found well supplied. The Librarians respectfully point out that as it is quite impossible, with limited space and means, to provide many copies of books of reference, the rules as to the return of such volumes should be respected by members.

Efforts have been made during the year to fill up the gaps still remaining on our shelves in the Canadian section. Many works have been secured of general utility, but not of such importance as to require a special mention. To help students in Canadian history, our collection of books bearing on that subject has been made with a view of placing together : 1. Works on the early settlement of the different provinces of Canada ; 2, on the French Regime in New France and Acadia ; 3, on the intercolonial wars of the 17th and 18th centuries, ending with the Seven Years' War ; 4, on the beginning of the English Regime and military rule ; 5, on Canada under the Quebec Act and under the constitution of 1791 and the division of the country into two provinces ; 6, on the wars of 1775 and 1812 ; finally, on the political events in all the provinces and the establishment of a responsible government.

Despite the omissions already mentioned, this collection is now in such a forward state that it can supply material on all questions connected with the history of the country.

Among the special additions to the Library during the year, may be mentioned a collection of all the articles, pamphlets and addresses published separately or in the principal periodicals of England, regarding the career of the late Rt. Hon. W. E. Gladstone.

These volumes, together with a similar collection made on the occasion of the Queen's Jubilee, in 1897, will provide at some time a most valuable repertory of materials for the history of Her Majesty's reign.

The customary collection of the Annals of Trade and Commerce and general information has been made, and it is hoped that no phase of business life will be found unrepresented.

# RAPPORT DES BIBLIOTHÉCAIRES POUR 1898-99.

---

Les bibliothécaires conjoints du Parlement ont l'honneur de présenter le rapport suivant pour l'année 1898.

Les bibliothécaires ont dû, comme par le passé, s'efforcer de trouver de l'espace pour loger le contenu de la bibliothèque qui va toujours en s'accumulant. L'aspect artistique de la bibliothèque souffre de ces expédients imaginés pour placer les livres ; mais ils étaient inévitables.

Le département de la statistique a reçu l'attention ordinaire et il est à espérer qu'on le trouvera complet.

Les bibliothécaires font respectueusement remarquer qu'il est absolument impossible, avec un espace et des moyens limités, de multiplier les exemplaires d'ouvrages consultatifs ; les députés devraient en conséquence se conformer aux règlements qui demandent le prompt retour de ces ouvrages. Des mesures ont été prises, durant l'année, pour remplir les lacunes de la section canadienne. Cette section s'est enrichie de plusieurs ouvrages d'utilité générale, mais dont l'importance ne mérite pas ici une mention spéciale. Pour faciliter le travail de ceux qui veulent la consulter, notre collection a été disposée de façon à grouper ensemble tous les ouvrages qui traitent des sujets suivants : 1<sup>o</sup> établissement des différentes provinces du Canada ; 2<sup>o</sup> histoire de la Nouvelle-Ecosse et de l'Acadie ; 3<sup>o</sup> guerres intercoloniales au 17<sup>e</sup> et au 18<sup>e</sup> siècles, se terminant avec la guerre de Sept Ans ; 4<sup>o</sup> régime britannique et règne militaire ; 5<sup>o</sup> le Canada sous l'Acte de Québec et la Constitution de 1791, avec la division du pays en deux provinces ; 6<sup>o</sup> guerres de 1775 et de 1812 ; enfin, événements politiques dans toutes les provinces et établissement du gouvernement responsable. En dépit des lacunes dont il a été question, l'ensemble de nos ouvrages peut fournir des matériaux sur toutes les questions qui touchent à l'Histoire du Canada.

Parmi les nouveaux documents ajoutés à la Bibliothèque pendant l'année écoulée, se trouve une collection de tous les articles de journaux, brochures et adresses publiés séparément ou dans les principales revues, sur la carrière du très honorable W. E. Gladstone. Ces volumes, ainsi que ceux qui composent une collection du même genre, faite à l'occasion du Jubilé de la Reine, en 1897, fourniront plus tard un dépôt précieux pour l'histoire du règne de Sa Majesté.

Comme par le passé, les ouvrages spéciaux sur le commerce et de renseignements généraux, ont été réunis sur nos rayons, et il est à espérer qu'on y trouvera des informations sur toutes les branches de l'activité commerciale. La bibliothèque du droit a aussi attiré l'attention des bibliothécaires qui y ont ajouté les plus récentes revisions des lois des différents Etats américains, les dernières éditions des auteurs classiques sur la matière, et plusieurs nouveaux ouvrages.

The legal side of the Library has called for many additions during the year. The latest revisions of the laws of the various American States and the latest editions of necessary text-books, as well as many new ones, have been added to our catalogue.

Among the donations to the Library during the year, the most valuable is that of Mrs. Mary Ford of Pencarrow, who forwarded to the government the bust (Behnes) of her brother, the Rt. Hon. Sir William Molesworth, Bart, M. P., Secretary of State for the Colonies in 1855. The Prime Minister has placed the bust in the Library, where, as the Toronto *Globe* has appropriately said, it shares with the bust of the Duke of Newcastle by Boehm (presented by Sir Edward Watkin to Sir John A. Macdonald), the merit of artistic distinction. The early death of Sir William Molesworth, in 1855, deprived the Colonial Office of a minister who would probably have enriched its traditions by a wise and liberal policy. The Library also possesses the fine edition of the Works of Thomas Hobbes, edited and published by Sir William Molesworth at his own expense, and presented by him to the Canadian Government. Sir William Molesworth was one of those who in a time of indifference, took interest in colonial questions and was at great pains to bring them before the Parliament and people of England. His labours deserve our grateful remembrance.

The Librarians desire to acknowledge the receipt of a large collection of the civic reports of Toronto, made by Mr. John Blevins, the city clerk. These materials for history will one day prove very useful.

The Library is also indebted to Col. White, C. M. G. late Deputy Postmaster General, for a number of interesting books and pamphlets.

The catalogue of accessions for the year elapsed since the preparation of the previous number, has been compiled and will be distributed at an early day.

The list of donations is appended as usual.

All of which is respectfully submitted.

A. D. DECELLES, *G.L.*

MARTIN J. GRIFFIN, *P.L.*

LIBRARY OF PARLIAMENT, 16th March, 1899.

Parmi les dons faits à la bibliothèque pendant l'année est celui qu'elle a reçu de M<sup>me</sup> Mary Ford, de Pencarrow, qui a envoyé au gouvernement du Canada le buste de son frère le très honorable Sir Wm Molesworth, bart., M.P., Secrétaire d'Etat pour les Colonies en 1855. Le premier ministre a fait placer ce buste, œuvre de Behnes, à la bibliothèque, où, comme le *Globe* de Toronto l'a fait remarquer bien à propos, il partage avec celui du duc de Newcastle par Boehm, présenté par Sir Edw. Watkin à Sir John A. Macdonald, le mérite de la distinction artistique. La mort prématurée de Sir Wm Molesworth, en 1855, a privé le bureau colonial d'un ministre qui aurait probablement enrichi ses traditions par une politique sage et libérale.

La bibliothèque possède aussi la belle édition des œuvres de Thomas Hobbes, publiée par Sir Wm Molesworth, à ses frais, et présentée par lui au gouvernement du Canada. Sir Wm Molesworth était un de ces hommes qui, dans un temps d'indifférence, s'occupait de questions coloniales et se donnait beaucoup de mal pour attirer sur elles l'attention du parlement et du peuple anglais. Ses travaux ont droit à notre souvenir reconnaissant.

Les bibliothécaires désirent accuser réception de la collection des rapports de la cité de Toronto, présentée par M. John Blevins, greffier de la cité. Ces rapports seront un jour d'une grande utilité.

La bibliothèque est aussi redevable au colonel White, C.M.G., ci-devant député du directeur général des Postes, d'un certain nombre de brochures et d'ouvrages intéressants.

Le catalogue des ouvrages achetés pendant l'année a été préparé et sera distribué dans quelques jours.

La liste des dons faits à la bibliothèque est annexée au présent rapport.

Le tout humblement soumis.
